

# ***Transportation***

Many older people need assistance with their transportation needs. Some older adults no longer drive while others choose not to drive during winter months. For these individuals, the Center on Aging operates three transportation programs.

They are: (Click on the underlined name for additional information)

**Bus** - The Bus Service transports older people, and disabled of any age from their home to a designated location of their choice in a wheelchair accessible vehicle on scheduled days.

**Taxi** - The Taxi Service provides door to door transportation in a wheelchair accessible vehicle for individuals of **any age** that live in Boscobel, Fennimore, and Lancaster on scheduled days.

**TRIPS** - The TRIPS Program matches older people that need a ride to medical and important business appointments with volunteers that are willing to drive them.
